

## PEAKE Awarded SeaPort Next Generation (NxG) Multiple-Award IDIQ Prime Contract

SEVERNA PARK MARYLAND, December 2019- Incident Communication Solutions, dba PEAKE, a leading enterprise services and support company, has been awarded a SeaPort Next Generation IDIQ prime contract. PEAKE will provide Engineering and Program management support services to the US Navy and Marine Corps.

SeaPort NxG is the Navy's primary Multiple-Award Indefinite-Delivery/Indefinite-Quantity (IDIQ) contract for soliciting contractors. NxG is a SeaPort-E follow-on contract vehicle that has a five-year base and five-year option-ordering period, with a potential value of \$5 billion per year or \$50 billion over the 10-year contract life span for all Seaport NxG awardees.

"We are thrilled to be awarded a SeaPort NxG contract," said PEAKE President, Steve Morgan. "This contract vehicle will give PEAKE the opportunity to continue and expand our work with the US Navy and Marine Corps and their mission."

Through this contract, PEAKE will compete for task orders that support the US Navy and Marine Corps. The contract has provisions for small business set aside work in all categories.
